

# LAKES AREA VACATIONER'S GUIDE

FOR PRIVATE VACATION RENTALS

DOUGLAS COUNTY, MINNESOTA

# Welcome

## TO DOUGLAS COUNTY AND THE ALEXANDRIA LAKES AREA

Visitors and residents alike revel in the perfect balance of beauty and quiet serenity complimented by all the best shopping, dining and overnight accommodations that you can imagine. While all the lakes and woods provide great outdoor opportunities, you can also find plenty of fun around many of the local attractions.

Many visitors to lake country choose to rent a home for that special private lakeshore experience. Renting a home also provides space and amenities to entertain family and friends. Renters enjoy the beauty and tranquility of our lakes, forests and open-spaces that permanent residents have year-round. We encourage you to embrace this special sense of being close to nature and to respect the safe and quiet neighborhood during your stay.

In short, being a vacation renter also means being a good neighbor.

*As a Good Neighbor please consider...*

**Noise:** Please limit loud music and noise to be considerate of neighbors who are likely not on vacation. Voices can carry across properties, so check your volume around the hot tub, deck, or firepit, especially during "Quiet hours" for rentals between 10 pm and 7 am.

**Parking:** Vehicle parking should be on driveways and designated parking areas. Trailers may be parked in designated grass areas set back from neighbors. Refrain from parking on streets and never block neighboring driveways.

**Occupancy:** The number of overnight guests and visitors to rental properties is limited by County Ordinance. This property is licensed for \_\_\_ overnight guests and \_\_\_ persons on the property.

**Garbage:** Please keep the property and lakeshore free of trash. Refuse should be stored in the containers provided and kept out of sight. Douglas County encourages recycling so please do your part.

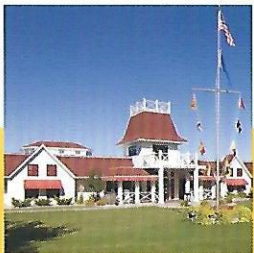

*Please keep in mind...*

Neighbors have been provided contact numbers for the rental owner or manager and, should an issue arise, are encouraged to report any disturbances. Any violations of the County ordinance and rental agreement could result in a citation or eviction.

*Be aware...*

Some lakes in Douglas County contain aquatic invasive species (AIS) and/or have restricted areas for boating. Please help to keep AIS from spreading by cleaning, draining, and drying all boats and equipment, and disposing of bait and attached weeds. For more information on AIS and boating restrictions, visit [alexarealakes.org](http://alexarealakes.org).

We hope that your stay in Douglas County creates many lasting memories. Remember to be a good neighbor, and you'll be welcomed back to your home away from home!
